

SUMMER CAMP

Ages 3-7 (Preschool through grade 1)

The Summer Camp takes place in the heart of Greenwich Village. Our Center contains bright, spacious classrooms designed for the younger child, with two fully equipped kitchens for cooking projects. Our large playground, which includes climbing structures as well as a sprinkler system, provides a colorful safe environment for outdoor play. For active play indoors, we have a regulation size gym. Summer Camp activities will include arts and crafts, active games, swimming, cooking, field trips and special event days specifically geared to these age groups. All groups are scheduled for special activities, which may include Pottery, Art, Music, Science, or Drama. Our 5-7 year olds (9 am-4 pm groups only) have swimming at the nearby community pool. Groups are small in size and vary between 15 and 20 children, supervised by a qualified counselor and 2 assistants, as well as interns and volunteers. Campers must supply their own lunches, and the Center provides juice and nutritious snacks daily.
